All about Your Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The King of Diamonds Person

The Businessman's Card

The King of Diamonds is the master of values, finances and business. In this regard he or she can do very well in any business pursuit, applying their inherited knowledge to their work with much success. These people are always more successful as heads of their own business rather than working for others. They can be very mercenary when it comes to money and business, but they don't have to be.

This is the only 'one-eyed' King in the deck, which tends to blind them to certain aspects of life and situations. This can also make them very stubborn and see things from only their side of the issue. King of Diamonds are known to make enemies for this very reason. Perhaps the upraised 'battle-ax' on their card represents a fondness for competition. However, all of them know what is of real value and if they follow their knowing instead of their fears, they can be the most respectable people in the business world. They must always guard against using their power to get things to go their way at the expense of others. With so much inherent power, the King of Diamonds can avoid dealing with their feelings and this is where many problems are created. There are often emotional issues from childhood that must be dealt with before the higher side of this card can be manifested. Until then, they can appear cold and ruthless.

They are very creative and can make huge amounts of money by using this gift. The King of Diamonds are powerful people who can do much good in the world and can be examples of those who are 'in the world but not of it'.

Some of the King of Diamonds Issues Concerning Relationships

The King of Diamonds is one of those cards that doesn't have any particular good or bad relationship karma. However, being Kings, they are quite powerful and unwilling to compromise, which can cause problems on the personal level. The women, especially, have to find a way to balance their strong masculine side in the context of a relationship where the accepted norm is the 'retiring female'. They tend to want to dominate or at least be an equal to their mates and not many men are willing or able to deal with such power in a woman. Some of the women give up trying after a few unsuccessful attempts. Some of the men do likewise. Both sexes can be guilty of looking at love and marriage strictly from a financial point of view. It is always best for them to keep their business and love life separate until they find the right match.

Both sexes could learn to express their fears and emotions to have better luck in romance or marriage. Honest communication bridges the gap and brings more intimacy. They are attracted to those of wit and good education and are often found working with their spouse in a business.

All about Your Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Two of Diamonds as Your Planetary Ruler

This ruling card gives you a lot of success with work and finances. You have an ability to find the right people to help you achieve your goals and you are not lazy. You are bound to have some very prosperous cycles in your life, much more than the average person. You have a keen and logical mind that you depend upon for much of your success. But in personal relationships, your logic is more of a hindrance than a help. An inner desire for love and affection competes with your natural ambition in work matters and it seems difficult to have satisfaction in both areas at the same time. In general, you would tend to focus more on your work, where it is easier to manage. Emotionally you have a lot of work to do. You must also watch out for some fixed principles about love or marriage that causes you to stay in bad relationships much longer than need be.

Our Mercury 13-year period is our first thirteen years of life and the importance of this period cannot be exaggerated. It is in this period that our most important life patterns are set. The first seven of these years are the real life-pattern years of our life and we experience each of our Life Path Cards during that time.

The Mercury Cards below describe your childhood to a great extent. They also describe some of the most important influences that were imprinted upon you at an early age. These influences have become a part of your mental state of mind. They influence your thinking and your communications to a great extent. They describe a mental point of view that in turn affects every area of your life.

Some say it is our Mercury Card that leads us in life. New cycles are begun by its influence. It may be the card that signifies what or who starts new cycles in our life. Its importance cannot be overstated. Sometimes these cards describe an important influence in our life. The presence of any of the face cards, for example, would signal an individual who had a profound influence us during our formative years.

The cards below govern your Mercury period of life and describe the mental pattern that you emerged with after going through it.

Your Thirteen-Year Six of Hearts Period

*Your 13-Year
Mercury Card*

This is going to be a time of peace, tranquility and contentment for you. It really has nothing but good influences, but especially if you value peace of mind and heart. The Six of Hearts is a powerful influence of balance and peace in personal relationships. How it affects you will largely depend upon your status in your love life as you enter this period and how responsible you have been in that area. It can also bring you a destined relationship.

Oftentimes we are destined to meet and have a relationship with someone because of our past-life karma with them. This is entirely possible for you at this time and depending upon your age and situation, it could be the love of your life. If this relationship occurs, the lessons you will learn in it will be about 'responsibility in love'. Basically this means that you will get to understand that what we receive in love is exactly what we give. For all who have this 13-year period there will be lessons about how their actions affect those around them. This card will demand that all outstanding love debts be settled and will encourage you to take responsibility for your actions and words in your closest relationships.

On a more universal level, the Six of Hearts may also reveal to you a special purpose in your life, one of helping others by sharing love with them. You may become aware of a special mission that you are to perform when this card appears. It is the card of peace and of intuitively knowing how to love others in a spiritual sense. The underlying Four of Clubs promises that no matter what happens, you will remain contented and will gain a solid foundation of information upon which you can build a happy life.

The Cards In Your Venus 13-Year Period

Some General Information About the Venus 13-Year Period Cards

*Your 13-Year
Venus Period is from
4/8/2012 till 4/8/2025*

The Venus Period of life begins at Age 13. It is during this period of life that we learn about love and romance. We are still connected to our family at the beginning of this period but most of us will have departed our family before it is over. Many will be married before this period ends as well.

The events during our Venus period of life often set a pattern for our relationships for the rest of our life. We discover, in this period, what sorts of mates we are attracted to, what our personal approach to relationship is, and what sort of partner we ourselves make. Our Venus Card describes these traits to a large extent.

And, it is in this period that our personal relationship karma makes it debut. We can experience great love and heartbreak, along with many other things as we explore the area of love.

Some even begin developing their own family at this time. And the Venus cards can describe just how our family life will be.

The cards below govern your Venus period of life and tell the story of you and your relationship patterns, as well as describe the events that will occur at this time.

Your Thirteen-Year Four of Clubs Period

*Your 13-Year
Venus Card*

This card guarantees that this particular period of your life will have a lot of stability and satisfaction. You will likely learn things that bring peace to your life and work. And you will find satisfaction in using the knowledge you have gained. This is also a wish-fulfilling period. Though there will always be ups and downs in whatever period of life we are in, for this period you can expect certain wishes of yours to come true in a most delightful way. Just having the expectation of this will help you receive these gifts when they occur. There is a certain amount of protection from Jupiter as well. And this means that it is highly unlikely that any major calamity will befall you, outside of important life Karma that may be destined to occur.

Obtaining and using knowledge, and working with this information is highlighted. It is what is in your mind that makes a difference now - what you know and can apply to your life and work. Be prepared to work a lot as well. This is a work period of you, working and developing a foundation of security in your life.

At the same time, the underlying influence of the Five of Clubs does guarantee a certain amount of restlessness. This will prompt you to keep studying new things, expanding upon your knowledge, and exploring progressive avenues of thought rather than getting stuck in a rut of any kind. Travel will be a beneficial influence as well.

Enjoy the blessings of this period. It is part of your good Karma that you were meant to enjoy in this life.

The Cards In Your Mars 13-Year Period

Some General Information About the Mars 13-Year Period Cards

*Your 13-Year
Mars Period is from
4/8/2025 till 4/8/2038*

The Mars 13-Year period begins at Age 26 and ends when we turn 39 and enter our Jupiter period. It is during this period that our passions are expressed, when most of us begin working in life in a real sense, and when most of us work off a great deal of our past-life karma. Whatever really turns us on in life is explored during this period and the cards here will describe something about that, or how its expression is responded to by those around us.

Our Mars Cards indicate what turns us on and what irritates us. Thus the Mars period can have a lot to do with passion and competition. Most competitive sports figures make their mark during this period of life. Each of us will make our mark as well, exerting the power of our Mars card for better or worse. Since Mars governs sex this is a period when many will have children as a result of their passionate expression.

The Mars period is usually associated with work. In this case it represents putting our Mars energy to work. Your Mars cards may describe your approach to work or even what kinds of work you do at this time. The Mars period is one in which we try different kinds of work to see which fits us best. It is preparation for the coming Jupiter period, when our efforts are more financially rewarded.

Your Thirteen-Year Two of Diamonds Period

*Your 13-Year
Mars Card*

This period of your life is most likely going to be a peaceful one. There will be a focus on relationships of all kinds and that will be good for the most part. Financial partnerships are highlighted and could be very satisfactory. The Two of Diamonds signifies that a money partnership of some kind will be playing a role in your life. This could be a standard business partnership or something out of the ordinary, but it will certainly have something related to money as the end result. It will be during this period of life that you realize the importance of others as a means to your own success. You will likely master the 'art of the deal' so to speak. Expect lots and lots of communications via phone, email, letter and face to face meetings, all for the purpose of making money together.

At the same time, this period could bring a realization of a deeper purpose for your life. This purpose is signified by the Six of Clubs, the 'missionary card'. You may find that your life has a higher purpose, one associated with bringing people in contact with information that can improve their life. If you are not too caught up in the mundane affairs of the business world, you will hear an inner voice, one that beacons you to a higher purpose. If you heed this voice you will be led to a purpose much greater than just making money, but one that ultimately could be financially beneficial as well.

The Cards In Your Jupiter 13-Year Period

Some General Information About the Jupiter 13-Year Period Cards

*Your 13-Year
Jupiter Period is from
4/8/2038 till 4/8/2051*

The Jupiter period of life begins at age 39 and extends until we turn 52 years of age. This period is largely associated with financial and other blessings. It is usually during our Jupiter period of life that we begin making the most money. It is sort of like the harvest season of our life. Your Jupiter cards may indicate what to expect during this period but they also may point to the means by which you will be most financially prosperous.

Finances in the Jupiter period should flow easily if we are in tune with a profession that is truly connected to what we love. If you are struggling during this period, it can only be because you are not doing work that you really enjoy. You might want to keep this in mind as you progress through it.

It is during this period that we experience our important 'cycle of reflection' which includes the Prebirth and Rebirth years of our life. The Rebirth year, or age 45, is considered one of the most important and fortunate years of our life. Seven years after it, we end our Jupiter cycle with the age 52, 'Critical Year' and begin our Saturn cycle. It is important in the Jupiter cycle of life that we open ourselves to the abundance of this world and let go of our struggling. For many, the Critical Year which ends our Jupiter period is the last opportunity to embrace a happy and prosperous life.

With this in mind, study your Jupiter Cards and see if they can help you access the bounty to which you are entitled.

Your Thirteen-Year Jack of Spades Period

*Your 13-Year
Jupiter Card*

This is an important 13-year cycle of your life, one in which your creativity will be emphasized, along with contact with Jack of Spades types of individuals. These individuals will be creative, intelligent but could also be dishonest and crafty. They will serve to remind you of the same influences within yourself. At the same time you will be exposed to a great deal of spiritual knowledge that will serve to uplift you and get you into an entirely new lifestyle, one that is more aligned with higher forces.

The Jack of Spades is probably the most creative card in the entire deck. It is called the 'Actor Card', the 'Card of the Thief' and the 'Spiritual Initiate Card'. Just how it manifests in your life will depend a lot on what are your values, your age and your occupation as you enter this period. Being such a creative force, the Jack of Spades can bring great success in any of the artistic pursuits. You may find yourself playing the actor role during this period or being around individuals who are.

If you are a person whose Birth or Planetary Ruling Card is a Spade, this card can indicate your playing a Jack role for most of this period. That role would be creative, romantic, or in sales and promotions.

Finally, the Jack of Spades can represent an initiation into a higher lifestyle. Books, classes and individuals may influence you to move into a more spiritual lifestyle. Spiritual knowledge, as signified by the Seven of Clubs underlying card, may play an important role in this transformation. It would not even be surprising if you became a spiritual teacher of some kind yourself.

The Cards In Your Saturn 13-Year Period

Some General Information About the Saturn 13-Year Period Cards

*Your 13-Year
Saturn Period is from
4/8/2051 till 4/8/2064*

The Saturn period of life begins with the important age 52, Critical Year. If we have embraced the abundance of our Jupiter cycle, there is no reason to expect Saturn to be anything but more success. The Saturn period is usually considered to be the last really active period of life. Many who have had career ambitions throughout their life will realize their dreams and be recognized for their contributions during this time. Saturn governs the highest house in the zodiac and thus can bestow recognition and reward upon us. Your Saturn card may describe just what you are 'known as' as you complete your life's work. This is not to say that all complete their life's work in Saturn. But it is common for people to move on from a working life to one of other pursuits during this cycle.

Saturn is the great teacher and the Lord of Karma. But usually by our Saturn period of life we have learned his lessons and are ready for his rewards. These consist of ease of life and the wisdom to sustain it on a daily basis. However, it is usually during our Saturn period that health matters assume more prominence for us. Though some may encounter them earlier, most everyone will be reminded that we do not live forever during this cycle of our lives. Thus, in Saturn, we must continue with his disciplines, but now those disciplines will be more directed towards keeping healthy as our bodies decline.

Your Saturn cards described here will tell the story of your Saturn period of life. Remember that even difficult cards can signify good things in Saturn when we have heeded his lessons throughout our lives.

Your Thirteen-Year Eight of Clubs Period

*Your 13-Year
Saturn Card*

This period of your life is bound to be one of success, mostly due to the focusing of your mind on your goals and ambitions. Things in your life that have previously been scattered and changeable are likely to smooth out now and you may find that you find yourself settling down into a groove with focused determination.

The Eight of Clubs is the card of mental power, the ability to focus one's mind on a goal or objective and see it through to a successful conclusion. This power is usually applied to some mental or educational task but in your case could represent an overall focus on a life direction.

You will find that during this period you attach yourself to certain principles of life which will, in turn, smooth out the rough edges you may have experienced prior to this period. Success is the result of such a focus and you should see much more success in your life, especially in work, communications, and educational areas.

The Eight of Clubs is one of the three, 'fixed' cards. Because of this there is no other underlying card for this period of your life. And also because of this you may become somewhat rigid in your thinking at this time. However, out of such focus and concentration, success is assured.

The Cards In Your Uranus 13-Year Period

Some General Information About the Uranus 13-Year Period Cards

*Your 13-Year
Uranus Period is from
4/8/2064 till 4/8/2077*

Uranus and Neptune are the spiritual periods of our life. The dates for their beginning and ending vary quite a bit and depend upon factors such as how long we live and the quality of the life we have lead up to their beginning. But, in general, these are the periods where we retire from actively working and pursue other interests. Some will pursue spiritual goals exclusively, especially in the Neptune period. But some will mover towards political and social goals in the Uranus period as well as spritual pursuits.

The Uranus period is usually about connecting with our spiritual family. It is usually in this period that we choose a religion, if we haven't already. We become more active in our chosen groups during both these cycles as we prepare a place for ourselves in the life hereafter. Your particular group may not be a spiritual group per se, but it will be one to which you feel that you belong on a deep level.

These periods should provide us with the freedom to explore the deeper meanings of life. And many of us will have profound spiritual experiences and revelations during these periods. As a result of the wisdom we have gained, we are able to lead a happy life with minimal effort and strain. We become like a gentle breeze flowing through the trees. And life can be quite delightful as we grow closer to God. Many will hear Him and feel more attuned to Him and His creation during these cycles of life.

Your Thirteen-Year Six of Diamonds Period

*Your 13-Year
Uranus Card*

This period of your life is going to most be a peaceful one, devoid of many changes. The Six of Diamonds is a money card and finances could be a major factor as well. In this case, there could be an inheritance or money that comes through marriage. It could come through other avenues as well but it is usually money that you do not earn yourself. By the same token, this card could mean 'no change' financially speaking and indeed many people find that their life is in sort of a rut during this long Six period.

There is a call during this period to turn within and listen to the voice of our higher self. Every Six can lead us to a higher path in our life. During this period you may realize that you have a special purpose in your life, one that involves finances and the redistribution of wealth, in order to serve others.

The underlying Nine of Clubs could indicate some disappointments during this period. Expectations, plans, ideals and dreams could be shattered by events and circumstances. But this same card gives a spiritual blessing to those who are willing to let go of things in their life which are being taken away by circumstances. This gift is that of universal knowledge. It is a great psychic gift, the gift of knowing your true place in the universe and of understanding of the fabric of life here on earth. This great understanding will serve you well throughout the rest of your life.

Your 13-Year
Neptune Card

Your Thirteen-Year Four of Spades Period

This period of your life will be highlighted by home, family, hard work, and educational pursuits. The Four of Spades is a card of satisfaction and stability in both health, work and all affairs in general. Thus you will most likely enjoy your home life during this period. But you may also be working hard a lot during this period and devoting time to mental pursuits. You could even publish a book or somehow be involved in the mass media.

Hard work is a good thing but not if it comes from a place of fear. There is a caution that a sense of lack could be a strong motivating factor. This could cause you to work more than is healthy for you, which in turn may affect your health at times. You are protected, health-wise during this period, but you could avoid some unnecessary stress by being aware of this potential. Also, your choice of jobs may be made from this sense of lack and you could end up doing work that you really do not enjoy. If you become aware of your inner sense of security, you could address that directly so that it does not affect your work.

Its Underlying Card

Mentally, the Ten of Clubs hidden influence gives you some golden opportunities and chances for success and recognition. If you are involved in anything that involves the media or publishing, or even just scholastic accomplishment, expect great success in these areas. If you are in school during this period you will do very well indeed. Overall, this is a protected period of life. Nothing really bad will happen to you. But you can enjoy it more if you take heed to these hints above.

Auspicious Events Occuring from Ages 22 to 25

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

About Your Auspicious Events Report

These are events that occur for everyone, but at different times for each. This report will check for and tell you about any Auspicious Events that will be occurring during a range of years specified by the person creating this report.

There will be years in which there are no Auspicious Events. You should be aware of this or you may feel that there are pages missing in your report. Not every year has a significant life event transpiring in it.

Also, this report checks for Auspicious Events for only your Birth Card and Planetary Ruling Card, if you have one. It does not check for auspicious events in your Personality Cards or any other personal signifiers as these have not been found to be consistently significant or accurate.

Some Auspicious Events occur for everyone at the same age of life. These include such events as the Prebirth and Rebirth years and the Critical Year. Others occur a different ages for each card and some of these are extremely significant and powerful. Some bring blessings and gifts while others are reason for caution and care as negative experiences are highly likely. Some bring fame and fortune, others, endings or changes. Knowing ahead of time which influences are present for you allows you to take fuller advantage of them. It is akin to driving at night with your lights on - you can see what is coming and make corrections in your path in order to make your journey more successful. THE LIFE SPREAD

Auspicious Events Occuring at Age 22

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

Your Birth Card is Approaching the Ascent to the Pinnacle Year

Because of the position of your Birth Card this year, you are approaching a particularly significant 7-year cycle of your life. We call this the Ascent to the Pinnacle Cycle. This cycle's effect on you will depend largely on what is the direction of your life to this point, so read carefully to determine it's significance for you.

If you are aware of your personal goals and purpose to a large degree, this year and the next three years together will mark a rising up to a position of accomplishment and recognition. This year will see significant advancements in your career interests but the year that begins three years from this birthday will be the Pinnacle Year, where you could reach the very top of your profession and end up on a new level of work and attainment. Many people have achieved great goals and dreams during this 3-year period.

If, on the other hand, you are not so certain about your life's direction or purpose, the next three years will mark a culmination for you of your life as you know it. Be prepared during the Pinnacle Year to make a big change, to depart from a significant chapter of your life, and to move on to a new and better cycle.

THE LIFE SPREAD

You can find your True Purpose this Year

There is at least one occurrence of a Six card in your reading in a prominent position (Long Range, Pluto, Result, Environment or Displacement). This might be in either your Birth Card Spread, or your Planetary Ruling Card spread. Either way, this gives you a special opportunity, but one that is only taken advantage of by those who are aware of it. Sixes give us an opportunity to discover what our true purpose is for our life. Most people search their entire life to discover what their life is about and whether or not they have some special purpose or goal that they are to achieve during their time here on the planet. Many never find this purpose at all. Because of the presence of a Six card in a powerful position this year, you will have a special opportunity to discover what your purpose is. Of course, this only applies to you if you have the desire to know. If you are not that interested in knowing more about your life's direction, this will probably manifest itself as a year of steady progress towards existing goals.

Sixes can be frustrating as well because they often represent static and unchanging conditions in our life. However, they also bestow upon us a special ability to perceive that which is usually hidden from our conscious minds. By listening to our inner voice, we can receive great inspiration and direction when these cards are present and you have at least one of them for this entire year. If

Destiny Life Report for Becky Jones

Auspicious Events Occuring at Age 22 (continued...)

you have more than one Six in a prominent position in either your Birth Card or Planetary Ruling Card Spreads, then this message becomes even more significant.

Study any and all Sixes that you find in these prominent positions this year, along with other Sixes that appear in your Yearly Spreads. They will reveal much about the special destiny that is coming your way. Good luck on your path to inner discovery.

This is a Major Completion Year for You

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

Whatever the nature of the endings in your life this year, be glad that you have reached the point in your development that you are ready to move on to better things and relationships. We are often afraid to let go of things that have become so familiar to us. Sometimes we are not even able to see that these things are no longer of any real use to us. Rest assured that this is the case for you. You are ready to move on and by this time next year, you will be in an entirely new and better place for your personal and professional development and expansion.

If you have more than one occurrence of a Nine in these prominent positions, the significance of this completion year becomes even greater and the stronger the likelihood that many areas of your life are coming to an end in preparation for a new phase of development.

Study whatever Nines you may find in your Yearly Spreads carefully. Each one will reveal the specific areas that you may be encountering some important completions.

Auspicious Events Occuring at Age 23

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

You Have Good Career Influences This Year

Because of the position of your Planetary Ruling Card this year, there are opportunities for you to achieve a larger measure of recognition in your work. Of course, if you are not career or business minded, this influence will have little effect on you. But for those who are trying to get more recognition or wish to become better known, this is a year when some of those dreams will come true.

The cards in your Planetary Ruling Card's Yearly Spread will rise up to the 'Crown Line' sometime this year and because of this, people will pay more attention to what you are doing. You could achieve some sort of award or merely become more recognized in your field. Many people receive promotions during years such as these. Just how it will manifest will depend upon the nature of your work or aspirations. Knowing, however, that these influences are present, it would be advantageous to put more effort into becoming recognized.

You can find your True Purpose this Year

There is at least one occurrence of a Six card in your reading in a prominent position (Long Range, Pluto, Result, Environment or Displacement). This might be in either your Birth Card Spread, or your Planetary Ruling Card spread. Either way, this gives you a special opportunity, but one that is only taken advantage of by those who are aware of it. Sixes give us an opportunity to discover what our true purpose is for our life. Most people search their entire life to discover what their life is about and whether or not they have some special purpose or goal that they are to achieve during their time here on the planet. Many never find this purpose at all. Because of the presence of a Six card in a powerful position this year, you will have a special opportunity to discover what your purpose is. Of course, this only applies to you if you have the desire to know. If you are not that interested in knowing more about your life's direction, this will probably manifest itself as a year of steady progress towards existing goals.

Sixes can be frustrating as well because they often represent static and unchanging conditions in our life. However, they also bestow upon us a special ability to perceive that which is usually hidden from our conscious minds. By listening to our inner voice, we can receive great inspiration and direction when these cards are present and you have at least one of them for this entire year. If you have more than one Six in a prominent position in either your Birth Card or Planetary Ruling Card Spreads, then this message becomes even more significant.

Your Birth Card is in the Pinnacle Position this Year

You have arrived at a very significant year of your life, perhaps the most significant year. Because your Birth Card is in the 'Sun' or 'Pinnacle' position, this year will mark a great transition for you in some respect. It's effects can vary depending upon your circumstances so read carefully to determine which category you fall in.

If you have been steadily climbing up the ladder of success and have a clear picture of what your goals and purposes are, this year could see you rising up to claim the brass ring of achievement. In a sense, the Pinnacle position represents reaching the top of your profession or dreams. Many have claimed the highest successes in this auspicious year.

If, on the other hand, you have been searching for a direction to go in your life, this year will likely see you finding that direction and it might just surprise you as to which way you end up going. Be prepared to make a large-scale transition into something different than you have done before.

Even if you have no particular career ambitions, this position guarantees that a chapter of your life is completing and that you will be moving on to new and better things sometime during this year. This is a year of change. Something of your past must be given up to make way for the new future that awaits you. Regardless of what that is, you will be happier as a result.

Two years from now you will be in your 'Most Blessed' year. During that year you will receive whatever it is that your heart desires the most. For this reason, you are in the middle of one of the most important cycles of your life.

This is a Major Completion Year for You

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

Whatever the nature of the endings in your life this year, be glad that you have reached the point in your development that you are ready to move on to better things and relationships. We are often afraid to let go of things that have become so familiar to us. Sometimes we are not even able to see that these things are no longer of any real use to us. Rest assured that this is the case for you. You are ready to move on and by this time next year, you will be in an entirely new and better place for your personal and professional development and expansion.

If you have more than one occurrence of a Nine in these prominent positions, the significance of this completion year becomes even greater and the stronger the likelihood that many areas of your life are coming to an end in preparation for a new phase of development.

Study whatever Nines you may find in your Yearly Spreads carefully. Each one will reveal the specific areas that you may be encountering some important completions.
