Relationship Report for Becky and Myra

How to get the most from this Relationship Report

The success of your relationship is never determined by your Birth Cards or your connections alone. Though some cards have it easier than others in this important area of life, ultimately it is each individual who holds the responsibility for the success or failure of their relationship. This report will act as a guide to help you achieve that success if that is what you truly want. Pay special attention to the affirmations listed for each connection in this report.

Welcome to your personal Love Cards report. The purpose of this report is to reveal as much information about you and your partner as possible, using an ancient and highly accurate system called The Book of Destiny. It is our hope that this report will enlighten you a little, and maybe even help you to make more powerful and happy choices in the areas of love and marriage. This report will explain many things about you, your partner, and how the two of you interact. However, in no way is this meant to tell you whether or not you will be successful as a couple. That success is always in your hands. No matter what connections you share, this relationship can be successful if both partners want it and are willing to commit to making it happen. However, you may discover herein just how easy or challenging that may be for the two of you.

Your Relationship Report consists of two separate parts. The first part is where you will find the description of each of your Birth Cards and Planetary Ruling Cards, if you have them. This section will reveal some of your personality traits, values, and other factors that make each of you who you are. You can get a basic feeling for each of you in this section and perhaps get a new perspective on who you are. This section may also reveal some of your relationship patterns - what sorts of people you are each attracted to, whether you are inclined to commitment or not, and other factors that may influence your love life.

Once you have learned something about each of you separately, you are ready to learn about how the two of you connect energetically. In the second part you will find out exactly what 'connections' you share with your partner that explain what each of you experiences when you are together. This is where you will find out what areas are easy or challenging for the two of you, what things you may like or dislike about your partner and why. Your connections explain how your relationship will be experienced by both of you. Some connections are good for sex, others for marriage, and others for working or business relationships.

This report was created with the intention of opening up doors of understanding and awareness. May your awareness grow and along with it, your understanding of your life and your happiness with it.

All about Becky`s Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The King of Diamonds Person

The Businessman's Card

The King of Diamonds is the master of values, finances and business. In this regard he or she can do very well in any business pursuit, applying their inherited knowledge to their work with much success. These people are always more successful as heads of their own business rather than working for others. They can be very mercenary when it comes to money and business, but they don't have to be.

This is the only 'one-eyed' King in the deck, which tends to blind them to certain aspects of life and situations. This can also make them very stubborn and see things from only their side of the issue. King of Diamonds are known to make enemies for this very reason. Perhaps the upraised 'battle-axe' on their card represents a fondness for competition. However, all of them know what is of real value and if they follow their knowing instead of their fears, they can be the most respectable people in the business world. They must always guard against using their power to get things to go their way at the expense of others. With so much inherent power, the King of Diamonds can avoid dealing with their feelings and this is where many problems are created. There are often emotional issues from childhood that must be dealt with before the higher side of this card can be manifested. Until then, they can appear cold and ruthless.

They are very creative and can make huge amounts of money by using this gift. The King of Diamonds are powerful people who can do much good in the world and can be examples of those who are 'in the world but not of it'.

Some of the King of Diamonds Issues Concerning Relationships

The King of Diamonds is one of those cards that doesn't have any particular good or bad relationship karma. However, being Kings, they are quite powerful and unwilling to compromise, which can cause problems on the personal level. The women, especially, have to find a way to balance their

strong masculine side in the context of a relationship where the accepted norm is the 'retiring female'. They tend to want to dominate or at least be an equal to their mates and not many men are willing or able to deal with such power in a woman. Some of the women give up trying after a few unsuccessful attempts. Some of the men do likewise. Both sexes can be guilty of looking at love and marriage strictly from a financial point of view. It is always best for them to keep their business and love life separate until they find the right match.

Both sexes could learn to express their fears and emotions to have better luck in romance or marriage. Honest communication bridges the gap and brings more intimacy. They are attracted to those of wit and good education and are often found working with their spouse in a business.

All about Becky`s Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Two of Diamonds as Your Planetary Ruler

This ruling card gives you a lot of success with work and finances. You have an ability to find the right people to help you achieve your goals and you are not lazy. You are bound to have some very prosperous cycles in your life, much more than the average person. You have a keen and logical mind that you depend upon for much of your success. But in personal relationships, your logic is more of a hindrance than a help. An inner desire for love and affection competes with your natural ambition in work matters and it seems difficult to have satisfaction in both areas at the same time. In general, you would tend to focus more on your work, where it is easier to manage. Emotionally you have a lot of work to do. You must also watch out for some fixed principles about love or marriage that causes you to stay in bad relationships much longer than need be.

All about Myra`s Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The Six of Clubs Person

The Card of Higher Purpose

This card is also known as the psychic card and it is surprising to see how few of the people of these birth dates are aware of their gift. The Six of Clubs also means responsibility to truth. These people must learn to find a system of truth that they can believe in and live their life by. Once attained, there is no limit to how much good these people can do in the world.

Those who have not yet found their path can be the biggest worriers and procrastinators of all the cards in the deck. They have a responsibility to maintain inner balance and peaceful communications with those in their lives. They often attain financial affluence and have inherent protection over their lives. This is one of the cards that can attain the highest degree of material or spiritual success. On the other hand they can get caught up in their complacency and never amount to anything.

As the card of ‘responsibility of the spoken word’ the Six of Clubs always has issues about what they say and what they do as a result. I have seen some of them profess the truth for years while secretly keeping their own lies. In all such cases, their lies catch up with them sooner or later with dire consequences. The high side 6§ always practices what they preach and are careful about what they say.

Some Six of Clubs have a special mission in their life, one that involves bringing others to the threshold of some ancient and powerful truth. These are the bringers of light. Once they tap into their hidden reserves and their natural intuition is recognized, they find their lives guided and protected from the highest sources possible.

Some of the Six of Clubs Issues Concerning Relationships

Six of Clubs love to be in love and have relationships but often there are some childhood issues that impinge on their ability to choose wisely. Love is

important to them. The women make good wives and mothers while the men are often dominated by certain women in their life. They have good marriage karma and usually have at least one very good marriage in their life.

Whether they do it early or later in life, they will one day face the emotional issues connected to their childhood and for that time, there will be challenges. Their love nature is strong and pure and it always finds the way through the trying times.

Their notions about love and marriage tend toward the idealistic and romantic sides. For this reason they will often encounter disappointments when these dreams clash with reality.

All about Myra`s Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Eight of Hearts as Your Planetary Ruler

You are a sociable person with a good deal of charm and magnetism. You enjoy having the attention of others and will find ways to insure that you get a certain amount of it most of the time. You have a lot of power with the charm you have and this can help you or get you into trouble. The Eight of Hearts is called the 'Playboy Card' and whether you realize it or not, you do have the ability to get what you want from others using the emotional power at your disposal. This is healing power as well. Most Eight of Hearts keep a circle of friends, family or associates around them all the time. Their 'eight hearts' are an important part of their life, whether these are their friends, immediate family, students, employees or lovers.

All about the Love Connections you share

Look at each connection between you as a cosmic link that connects each of you to some part of yourself that you want to look at, develop or explore in some way. Your partner is your mirror into your own soul.

This report uses the most advanced techniques available to give some real insight into the inner workings of your relationship. Using the ancient system, now known as the Book of Destiny, it determines the energy 'connections' that reflect exactly how the two of you interact. These connections are essentially described as planetary energies, for example Mars or Venus. Some connections are harmonious, while others create certain kinds of friction or stress between you. All of the connections between you serve an important purpose and contribute to the experience that you share. Keep in mind that most connections have a higher expression and a lower one. The affirmations given for each connection indicate how to access the highest expression of each one.

The connections are listed in the order of their importance. The first connection is the most important and the second is the next important, etc. But even the last connection between you probably manifests itself in your experience together. Therefore, regard all of them as having some important information for you.

You may have only a few connections, two or three, or you may have as many as fourteen. Each couple has a unique number and kinds of connections - as unique as the love and feelings they share for each other.

Look to see if you have more than one kind of connection between you. For example, you may have a total of two or three Mars connections between you. When this is the case, you should study these connections carefully, realizing that this probably indicates some of the most important reasons that you are together and the issues that you most often face together.

Finally, there are no bad connections. If we are attracted to someone so much that we spend time with them, there are important reasons for this. The descriptions of the connections in this report can help you understand why you have made the choice to be together, which can in turn help each of you to understand your individual personalities and needs better. Of course, some connections indicate stress and challenge, but this is because we often use relationships as the vehicle through which we resolve our own inner conflicts. If the love is there, there are many good things for each of you to gain from being together.

Relationship Report for Becky and Myra

The First Connection Between You

Becky

Your first connection is always considered the most important of all and, in most cases, will represent the dominant pattern that is your relationship. Study the connection described below carefully, as it may reveal some hidden opportunities for the two of you.

Myra

Becky gives to Myra in a Karmic Relationship

This is a unique and powerful connection that guarantees that this relationship is very important to Becky and Myra. There are certain Birth Cards that, because of their position relative to each other, are known to be 'Karma Cards'. Those who are Karma Cards are much like those who have the same Birth Cards because they have a lot in common. However, this connection also guarantees that these two have been together before in a way that left some outstanding debt incomplete. Therefore they are drawn together again to help settle this imbalance on a cosmic level.

This does not mean that this relationship has any sort of negative connotation because of this supposed debt. Everything that happens in the universe is regulated by the law of cause and effect. This relationship can be a natural expression of this law, providing that Becky and Myra allow it to be.

The implication here is that energy of some form is meant to be transferred from Becky to Myra. Just what the form of that energy is will be determined by the particulars of their relationship. In general, it is best for Becky to be willing to give whenever called upon. Other connections between Becky and Myra will help define what that giving is and how easy or difficult this relationship may be for both partners. But, for giving to be successful, Myra must be willing and able to receive. In truth, receiving and giving are one and the same. If either Becky or Myra do not allow this exchange to take place, there will be friction created in the relationship.

It has often been observed that people in Karma Card relationships either get along famously or not. When they are not, it is because this exchange is being hampered by one or both of the partners. If Myra is unable to receive, she will, in her own way, be undermining the potential of this relationship. The same can be said of Becky if she is unwilling to give. So, both partners must be open to this exchange and participate in it. When they do, this relationship will take on a magical tone. This is one of the connections in which a very high degree of intimacy can be reached.

Much like people with the same Birth Cards, Becky and Myra have a lot

Relationship Report for Becky and Myra

The First Connection Between You

Becky

Myra

in common. Though they themselves may not see it as well as someone outside the relationship, they share common talents, abilities, personal issues and challenges. There can be a sense of 'sameness' and unity that makes them both feel and think that this is the way a relationship should be. This could be compared to people who are twins to some degree. Much in the same way that twins can feel each other's feelings and read each other's minds, Becky and Myra are likely to be connected psychically and mentally. Greater depths of intimacy and union are possible in this relationship and Becky and Myra have the opportunity to experience this blissful union in this relationship.

In fact, Myra is a strong mirror of Becky. In some cases, this mirror may be a factor in creating some friction in the relationship, especially if Becky does not see just how much she is like Myra. Because Becky's card is the giving card in this connection, she bears more of the responsibility for owning her personal 'stuff'. If Myra makes her angry, she must be the one to look at her anger closely to find the fault within her, and not direct her anger towards her. Other connections between Becky and Myra will add different elements to their relationship and the combination of them all will be a more accurate description of it than just this one connection. However, this Karma Card connection is one that is the most important of them all and describes one of their most important reasons for being together.

This connection has definite 'soul mate potential', meaning that Becky and Myra can experience states of divine union that few couples have ever experienced. This could be the love of their life and the match made in heaven. But, as with other soul mate potential connections, a lot of awareness and personal development must be contributed by both Becky and Myra if it is ever to be realized.

Affirmation for Becky: I appreciate my relationship with Myra and am glad to be able to contribute to her life. I realize that Myra is a strong mirror of myself and with this awareness I am learning much about loving myself through being with her. I give whatever is needed to fulfill my karmic obligations with love and without expectation of reward.

Myra

Affirmation for Myra: I am grateful for the presence of Becky in my life. I accept all the good things that she brings into my life and respond with appreciation and gratitude. I realize how much we are alike and use this relationship to learn more about myself. I allow the exchange between us to take place by being completely open to receiving whatever she has to offer, without expectation.

The Second Connection Between You

Becky

Myra

Myra gives to Becky as her Karmic Cousin

Most cards in the deck have two other cards that are called Karma Cousins. In a Karma Cousin relationship, much like the Karma Card relationship, there is a definite flow of energy - one of them is giving something to the other throughout the duration of the relationship. However, unlike the Karma Card relationship, the Karma Cousin relationship doesn't have the intensity of the mirroring factor.

In this relationship the energy is flowing from Myra to Becky. This means that she will be giving something, perhaps many things, to Becky over the duration of their relationship. This is a karmic connection, which implies that Myra and Becky have been together before and in that lifetime, left some unfinished business between them. This does not imply any negative sort of connection. On the contrary, Karma Cousin relationships often have a nice feeling to them of mutual sharing and support. However, there is a definite flow from Myra to Becky of some specific things.

One of those things might be acknowledgment. It is likely that Myra needs to acknowledge Becky in some way. This acknowledgment may actually provide a valuable key that will open doors for Myra, even though they may not realize this at the outset. In giving to Becky she may unlock her own mysteries. We might say that Myra learns from Becky, but that learning must be accepted by her if this relationship is to fulfill its purpose.

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

The Second Connection Between You

Becky

Myra

It is important to realize that in this relationship there is going to be an exchange of importance between Myra and Becky. If this exchange is hampered in any way, friction and conflict will be the result. Usually, if we see a couple with this connection who are in conflict, we know that one or both of them has done something to cause the flow to stop. However, once this has been recognized, they can rectify the situation fairly easily if they choose to. Myra and Becky should remember this, especially when times of conflict arise. They should also remember that giving and receiving are actually one and the same. Becky has to be willing to receive just as much as Myra has to be willing to give. If either partner gets blocked up for some reason, the energy of this connection will begin to tear it down. But many relationships go through tearing down phases which are followed by building up, so this is not something to be overly concerned about. Just being and staying together will remedy most situations that come up.

So we see that this relationship probably has an important purpose, and the more that Myra and Becky are together, the greater the chances of this purpose being fulfilled. Other connections between them will help define the overall nature of their being together and could even lend insight into what will be exchanged. What this Karma Cousin connection tells us is that this relationship has the potential to be very important for both of them.

Affirmation for Myra: I appreciate my relationship with Becky and am glad to be able to contribute to her life. I allow myself to express my generosity in its fullest with no expectation that Becky must act in any particular way as payment for my giving. In this way, I respond to the natural forces that flow between us.

Affirmation for Becky: I am grateful for the presence of Myra in my life. I accept all the good things that she brings into my life and respond with appreciation and gratitude. I allow our exchange to occur by being completely open to receiving whatever she has to offer.

Becky is the Jupiter Card to Myra

Location: Life Spread

This is a wonderful connection that is often found among the cards of happy and productive relationships. One of the main benefits of it is the financial end but it has other significant benefits as well. Jupiter is known among astrologers as the 'great benefic'. It is the only planet in our solar system that gives off more energy than it receives from the Sun. Its location in our natal astrological chart always points to some area of our life where things come easily to us and where we have many blessings to be thankful for. In this relationship, Myra has much to be thankful for, thanks to Becky, because she is a major blessing in Myra's life.

These blessings may take many forms but they are often of the financial nature. Even though as a couple Becky and Myra may not be wealthy, Becky definitely likes to give things, including money, to Myra. This natural inclination to give is one of the signs of prosperity consciousness. Therefore, if not now, it could lead to great financial success in the future. This is an especially strong possibility if Myra expresses and feels appreciation for Becky. Appreciation is one of the most important keys in obtaining prosperity. If Myra will allow the appreciation engendered by this connection to grow, and if she expresses this verbally, this relationship could bloom into a prosperous and happy life together where there is much more money and things than they could ever use or need.

On other levels the Jupiter connection can bring blessings of many forms. There could be a sharing of philosophies and spiritual ideals. Becky may provide beneficial guidance and inspiration to Myra. Essentially she will have a natural desire to give whatever she has that Myra values. If Myra wants to see the blessings in this relationship grow, just remember to feel and express the appreciation, as was mentioned earlier.

This connection increases the overall compatibility between Becky and Myra to a good degree. The fact that they have this connection points to some good karma for both of them, something that they earned by doing good deeds

for others in the past. It is a sign of good fortune and if harnessed in the ways mentioned above, will develop into one of the cornerstones of their happiness together and provide the prosperity that will ensure an abundant and happy future.

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Becky is the Cosmic Reward Card to Myra

Location: Spiritual Spread

This is a past-life connection and one that has strong, spiritual overtones. The Cosmic Reward Card is associated with Jupiter and as such can be a blessing in our life. But whereas Jupiter's blessings are often of a financial nature, the Cosmic Reward Card's blessings are usually of a less material nature. In its highest manifestation, the Cosmic Reward connection will bring us experiences that validate our own importance in the universe, helping us feel connected and blessed by higher powers. We can receive guidance and confirmation about our life and its purpose. Feelings can arise that inspire us, enliven us and make us feel good about living. These are things that we often do not value much until we have advanced in age to some degree. In general, we say that Cosmic Reward relationships are perceived as more of a blessing after the age of 35. But this is only based on averages and norms. Anyone can be more interested in these things at any age.

Myra is the one who is receiving this Cosmic Reward influence from Becky. This means that Becky could be a very important blessing in her life, if she is willing and able to receive it. Since the Cosmic Reward Card follows the Pluto Card, it is often only after we have done our own work of personal transformation, indicated by our Pluto Card, that we are rewarded, so to speak, by our Cosmic Reward Card. The Cosmic Reward Card, is, in any case, something that we are destined to become or achieve in this lifetime. This means that Myra may feel drawn to Becky because she can perceive that Becky has these qualities that are a part of her destiny. If Myra is creating a happy life for herself, Becky will be a natural part of that happiness, if other connections do not strongly indicate otherwise.

This connection guarantees that this relationship has a certain amount of compatibility potential. Becky truly feels encouraged to give to Myra and to share her wealth and abundance with her. This giving attitude can be part of a good foundation for a successful relationship. But, if Myra has not yet dealt with her own need for change in this lifetime, Becky may just serve as a

Myra

reminder to her of this fact. If this is the case, Becky may seem more of a confronting and challenging influence to Myra.

So, we see that much of how this connection affects the relationship lies in the hands of Myra. It is for her to decide what to make of it. Hopefully, she will be ready to receive Becky as the blessing in her life that she has the potential to be. Later, she may realize that they were destined to be together, which is a common experience with this connection.

Affirmation for Becky: I am glad to be a blessing in Myra's life and hope that I can give her all that I have to give. I understand that she may be challenged by me at times and have compassion for this. I only wish the best for her.

Affirmation for Myra: I am grateful for the presence of Becky in my life. I accept all the good things that she brings into my life and respond with appreciation and gratitude. In this way I multiply my blessings.
