INTRODUCTION

HOW TO READ YOUR RELATIONSHIP COMPATIBILITY REPORT

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

Bill and Thomas, you will probably encounter some texts such as: "The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions or redundant".

This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digit's archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly -- as much as

ninety-five percent -- by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a relationship compatibility report.

Bill and Thomas, I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Bill, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality Chart!

Bill, your Life Path is 12/3

You possess a great talent for creativity and self expression. Many writers, poets, actors and musicians are born under the 3 Life Path. Bill, you are witty, possess a gift for gab, and savor the limelight. Your talent for the expressive arts is so abundant that you may well have felt drawn to becoming an artist while still very young. Your artistic abilities can only be developed, however, through discipline and commitment to the true development of your talent. Commitment, concentration and hard work are the only means of bringing forth your talent. Thanks to your gift for self expression, you can be the life of the party, and the center of attention. However, you could easily squander your talent by becoming a social butterfly. Your creativity is the gift that can give you the comfort and luxury you desire, but not without continual focus and discipline. You are optimistic and possess the resilience to overcome many setbacks. You are socially active,

popular, and inspire people with your sunny "happy go lucky" attitude. Bill, you can be generous to a fault. Many people born under the 3 Life Path have difficulty handling money because they can be disorganized and not particularly serious about their responsibilities. You are emotional and vulnerable. When hurt, you withdraw into a cloud of silence, eventually emerging from your reticence with jokes and laughter that cover up your true feelings. You can become moody and cynical when depressed. You can succumb to sarcastic remarks, which can be painful to those around you. When used positively, your talent for self expression can be a great inspiration force in the world, uplifting others, and bringing much success and happiness to you.

Thomas, your Life Path is 13/4

Thomas, you are practical, down to earth with strong ideas about right and wrong. You are orderly and organized, systematic and controlled, you are decisive and methodical employing a step by step rational approach to problems solving. Once committed you do not give up easily!

You are not one for "get rich quick" schemes. Rather you use hard work and long hours to build a business or career; you seek to establish a solid foundation. Precise, tenacious and persevering, you have great potential for success, but only after putting out effort and overcoming the limitations you so often encounter. Justice and honesty are sacred to you. You are reliable and dependable, a cornerstone in the community.

Though not an idealist, you are willing to work for a better world in a realistic way. However, you can be rigid in your ideas and sometimes too quick in judging your fellow man. You are loyal to those you love and work well with others. It is important that while being part of a team you have your own responsibility and well- defined task, you perform better when your responsibilities are not overlapping with those of others. You have to be careful not to be bossy and rude. You possess rare discipline and perseverance and not everyone can keep up with you.

Thomas, you can handle money carefully and like the security of a nest egg.

Your love of work often leads you into a career early in life. Because of your methodical nature you can easily become rigid and stuck in convention. You can also be overly cautious when changes are necessary, this can cause you to miss opportunities that present themselves. You must cultivate flexibility in your character. You are well suited for marriage and often become a responsible loving parent. However, anything that violates your profound sense of order, such as separation or divorce can be a shattering experience for you. You easily become obsessed and even vengeful, seeking your own definition of justice.

You are courageous and a true survivor. You are a builder and the foundation of any enterprise. Your hard work and practical, traditional values pay off to provide

you with the rewards you seek and deserve.

Thomas, your 13 Life Path is somewhat burdened by the presence of a Karmic Debt.

Those with the 13 Karmic Debt will work very hard to accomplish any task. Obstacles stand in their way, and must be overcome time and again. One may often feel burdened and frustrated by the seeming futility of one's efforts there may be a desire to surrender to the difficulties and simply give up on the goal, believing it was impossible to attain in the first place. Some with the 13 Karmic Debt fall to laziness and negativity. But efforts are not futile, and success is well within reach. One simply must work hard, and persevere in order to reach the goal. Many highly successful people in all walks of life, including business, art, and athletics, have a 13 Karmic Debt.

The key to succeeding with the 13 is focus. Very often, people with the 13 Karmic Debt do not concentrate or direct their energies in one specific direction, or on a single task, but scatter their energies over many projects and jobs, none of which amount to very much. A temptation with the 13 is to take shortcuts for quick success. Too often, that easy success doesn't come, causing regret and the desire to give up. The result is a poor self-image, and the belief that one is incapable of amounting to very much.

In order to focus, you must maintain order in your life. Order is essential to success. You must maintain a schedule, keep appointments, and follow through. Keep your environment neat and under control, and never procrastinate. If you sustain a steady and consistent effort, you will realize much reward.

Your Life Path's compatibility is 3 and 4

Bill and Thomas, your Life Path numbers are the most important numbers in your charts, and, as such, their compatibility is very important to the well-being of your relationship.

This is both a very promising as well as a very difficult combination. Bill reveals a fun-loving, optimistic side, a creative, playful, perhaps even childlike nature. Bill demonstrates to have faith in life and is confident that things will work out, no matter what. In addition, Bill has a natural, intuitive talent to go with the flow and escape pitfalls almost effortlessly. Thomas, on the other hand, is much more grounded, practical, and has a hands-on approach to life. Thomas feels that discipline and focus, responsibility, dependability and duty are the requirements to create a life of comfort and contentment. From one perspective, this makes for a nicely balanced relationship. Bill's approach works for Bill. Thomas has seen the

fruits of effort and discipline and knows there is safety in having at least some control. As long as life doesn't throw a monkey wrench in your situation, this can be a harmonious, very satisfying relationship.

But when life becomes a challenge, when problems - especially practical, material, worldly problems - come up, Bill and Thomas, this combination of three and four is one of the least prepared to deal with it. Bill, you may well start resenting Thomas for taking such a hard, grab-the-bull-by-the-horns approach, since Thomas is not the type of person who backs away and watches things fall apart. In addition, it is important that you bear in mind that we are talking about problems that did not arise between you, from your relationship, but from outside, issues like a shortage of money, the loss of a job, an expensive illness, or some other unfortunate shift.

Thomas will be tempted to look at Bill and question the amount of effort and sacrifice Bill is investing during this difficult time. Blame will feed resentment and anger, and soon, instead of forming a combined front to overcome the obstacle, you will turn against each other.

When that happens, Bill and Thomas, you will need to step back and realize that, although you may not understand what motivates your partner to respond so differently from what you believe is the correct and required approach, you should not judge. Bill, you may not believe that Thomas makes any sense. You may well feel that all that effort is misdirected, perhaps even detrimental to a positive outcome, but Thomas needs that effort. Thomas needs to feel that there is some control.

On the other hand, Thomas may blame Bill for not doing enough, which may be true. On the surface, Bill may seem to be backing away from the problem. Bill does not focus on the issue itself as much as on whatever is needed to make it go away, or, at least, to make it bearable. Bill will bring in the optimism and the motivation to go on. Bill will point to the light at the end of the tunnel, no matter how tiny or seemingly far away, and when everyone else is ready to give up, Bill will bring in the much needed energy and get you back on your feet. Bill is invaluable during such a time. And that, too, takes effort.

So, just remember that, although difficult, yours is also a very promising combination, and the key to making the most of it lies on not trying to judge each other, but on combining your many individual qualities.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Bill, your Expression is 18/9

Bill, you are the humanitarian. You are attracted to a cause or a movement whose purpose is to make a better world. You are extremely idealistic, sometimes to the point of being naive about people or methods. You have great compassion and seek to create a more humane society. You are drawn to those who suffer physically or are at the hand of injustice. You are the righter of wrongs. Your deepest intention is to transform the world.

You are willing to sacrifice in order to advance your cause. Indeed, this seems to be a theme in your life. From time to time, you find yourself involved in a project whose very life depends upon your willingness to sacrifice something that relates directly to your ego.

You are highly idealistic. You are also a visionary, with the ability to influence and direct the masses. Deep inside, you long for the love and approval of the many, and seek fame.

Part of your hunger for fame has to do with your need for validation; you are your own harshest critic.

Bill, you realize your greatest satisfaction when you are involved in some activity that directly benefits the public good. Politics, law, protection of the environment, teaching, and healing are areas in which you would succeed.

You have a broad view of humanity and are not shackled with prejudice. You should have friends and associates from all walks of life, all colors and religious backgrounds. People fascinate and enrich you. A wide diversity of people and experiences stimulate and bring forth qualities within you that would otherwise lay dormant.

You have an abundance of artistic talent. Many with your Expression number find themselves in the arts, especially in literature, painting, and the visual and

performing arts.

The number 9 indicates the completion of a cycle or a block of learning. The 9 Expression suggests that you have reached the point where a breakthrough can occur; during this lifetime you can apply all that you have learned along your evolutionary path and complete a major stage in your development. This is why we find many geniuses with the 9 Expression.

You have the ability to synthesize many diverse bits of knowledge into a unified whole.

Bill, your appearance is important. You are keenly aware of how others perceive you. As a result, others see you as a person with a great deal of control. Conversely, you are charismatic. Despite the cool and distant personality you project, people are attracted to you.

You tend to express your love somewhat impersonally. You tend to be preoccupied with your vision or cause, and sometimes overlook the needs of those closest to you. You need to be reminded to give your love more personally and more openly. Ironically, you are a very loving and sincere person, but often neglect to express what you truly feel.

In the same way, you can overlook your own needs. You can avoid sharing of your deeper feelings, creating a reservoir of emotion. You tend to postpone your personal satisfaction in favor of some larger work. Try to be more spontaneous and courageous about showing your real self, including your vulnerability.

Your basic belief in the goodness of humanity is unshakable. This causes you to encourage the best in people, but occasionally makes you vulnerable to being taken advantage of. You are not a very good judge of character.

The surest way to personal satisfaction is for you to become part of some larger social cause. Your nature is to serve. You are happiest when you feel you are helping to advance the human race.

Thomas, your Expression is 33/6

Thomas, you are a loving and caring individual with a tendency to put the needs of others before those of yourself. You are responsible and trustworthy with a high regard for justice and honesty. Duty will follow you all your life and sometimes feel a little too much of a burden.

You are artistic. Harmony and beauty are high on your list of priorities. You have musical talent but the creative talents of a 6 are sometimes left undeveloped or suppressed as a result of your tendency to sacrifice your time and pleasure to the service of others. You are highly creative in all areas of life, particularly the visual. You are also a talented business person and can work methodically toward the realization of your goals.

You have a natural gift with flowers, gardens, and animals. Your love of children has caused numerologists to dub you the "Cosmic Mother or Cosmic

Father". The very shape of the 6 resembles and symbolizes "Pregnant with Love".

You are a natural counselor and healer. But you must be careful not to interfere with the freedom of others. You are recognized as an idealist, mainly regarding marriage, friendships and humanity.

The 6 is the most balanced of all numbers, but also contains within itself the greatest paradoxes. It is as if opposite tendencies were tenuously poised. Because of its gift for harmonizing these opposites, you are uniquely qualified to handle and integrate contradictions within yourself. It is for this reason that 6s so frequently find themselves in the role of healers or counselors, creating a peace between opposing points of view, or internal conflicts within the self.

While you can be very idealistic, there may also be a temptation to acquire beautiful objects by improper means. You must also guard against other meddling behavior and domestic tyranny, or always having to have your own way in a family dispute.

Conversely, you have it within yourself to understand another person's dilemma and come up with a creative solution. Your natural ability to give comfort and warmth can smooth over hurt feelings like a healing balm. You attract love and appreciation. And rightly so, because you give the same in return.

You make an outstanding teacher (especially young children or special education), healer, counselor social worker, psychologist, artist, designer, gardener, florist, and farmer. You can be successful in business, especially those that involve dealing with people.

Your Expression's compatibility is 9 and 6

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. However, the Life Path number reflects "the path you walk on," and should be seen more as a powerful influence than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and

sensitive in one setting, and direct and confrontational in another situation.

Thomas and Bill, all numbers dividable by three have several things in common. First and foremost, all these numbers respond to the physical, emotional and spiritual needs of others. In the case of a six, this is expressed mainly towards those in the immediate circle: family and friends. In the case of the nine, it is directed more towards people at large - pretty much all of mankind.

When a six and a nine are found between romantic partners in this part of the chart, compatibility is very good. Both of you, Thomas and Bill, are self-sacrificing, giving and caring people. Thomas is more practical, Bill more idealistic, but your motivations are similar.

Another aspect you have in common is your creativity and your eye for beauty, which, contrary to what might be expected, is pretty often a source of trouble for the six-and-nine combination. Thomas and Bill, sometimes you will see eye to eye when it comes to decorating, but often you won't. And since you are both opinionated in this matter, in order to prevent unnecessary arguments, what you should do is give and take a little, something you are both quite capable of doing. Another talent or trait you share is a sense of justice. The six and the nine are both strongly affected by a sense of right and wrong that can be very powerful - sometimes to the extent that they get involved in politics or become activists. Unless you happen to be on opposite ends of the political spectrum, this trait can further strengthen your bond.

The six and the nine, Thomas and Bill, are highly compatible. However, there are some areas where you may find yourself clashing if certain negative traits are allowed to grow. Although this is not common, a warning might be in place.

The nine, Bill, with its idealistic and self-sacrificing nature, can also be arrogant and self-righteous. Recognizing the relative value of one's concepts and ideas is not a strong point with the nine. Bill, with your innate sense of justice, you may have recognized a tendency in yourself to put down those who don't see things the same way as you do. Especially when combined with strong religious dogmas, the nine can become a negative influence on others, sometimes ruining a relationship - even with the most devoted partner. If you have found yourself in that corner, Bill, you would do well to realize that what we believe and what we think, is just that, a thought, a concept, the truth as we see it. Always keep in mind that our perspective, no matter how enlightened, is still limited. Knowing that, we will be able to be compassionate and tolerant towards others. The nine, as you have read in the previous chapters, is the least prejudiced of all numbers, but as with all human traits, its dark side tends to be the direct opposite of the light side.

Although the most loving of all numbers, Thomas's six has a dark side as well, and a dark side that can be nasty indeed. The six can become intolerant and

angry, often without a clear cause. The irritation and anger seem just to sit there, inside, waiting for an opportunity to break out, without rhyme or reason.

Thomas and Bill, the negative sides of either the six or the nine are rarely displayed, but you will need to watch out for them in order to prevent them from spoiling what is most certainly one of the best number combinations around.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Bill, your Heart's Desire is 8

Bill, you want success in its fullest meaning -- wealth, power, and material comforts. You have an enormous ambition. You dream of big projects, great undertakings, and rewards.

You are a visionary. You see the horizon and the promise. In general, you also see the methods necessary to fulfill that promise. But you are not especially good with details; you need others to help you deal with the smaller parts of the picture. Your challenge is to make full use of the full spectrum of your abilities, as indicated by your other core numbers. In the same way, you must bring forth the best from others and orchestrate their talents toward the realization of your vision. In short, you must lead by example, demonstrating the standard for commitment, determination, and excellence.

All of this requires effort on your part. You will meet with obstacles and difficulties. Your determination and commitment will be tested. But you have the power to overcome every obstacle you face and accomplish the goal you've set for yourself.

Bill, your task in life is to learn to use power in refined and elevated ways. The

expression and use of power is directly related to one's personal evolution. The more primitive uses of power rest with violence and the threat of deprivation. The higher expressions depend upon your capacity to care for and nourish the people and projects in your charge, giving each exactly what is needed at the appropriate time and in appropriate amounts.

You have a creative mind and an unusual approach to business and problem-solving.

You need to cultivate your ability to evaluate others.

It is essential for you to be involved in a project that challenges you and offers the potential for rewards. When you are uninvolved or unoccupied with a worthwhile task, you can become deeply despondent, depressed, and frustrated. You are the perfect example of the old cliché, "Idle hands are the devils workshop." Without a challenge, you can lose balance in life and become selfish, cruel, and even self-destructive. Disappointments become shattering, causing terrible consequences in self-image and self-love.

Perspective is everything for you. You have a natural talent for balancing the spiritual and material planes.

Bill, you need to cultivate courage and stamina. Courage is a choice. You need to decide to be brave in the face of fear. A balanced 8 is among the most powerful and satisfying of numbers. It is the spirit of the true survivor, able to bounce back and achieve a greater victory.

Thomas, your Heart's Desire is 16/7

Thomas, you love knowledge, study, and insight. You value the gifts of your mind, which you use to great advantage to penetrate the mysteries of life. You study things in-depth. You search beneath the surface of things. You abhor shallow judgments or opinions.

You have a natural gift for analysis and research. Once you have grasped the facts of a subject, your creativity and abstract approach lifts your thinking beyond the rudimentary to the philosophical. You have a theoretical mind, but rather than indulge in fantasies or idle thought, you prefer to base your theories upon scientific facts.

Thomas, you enjoy mental and physical puzzles -- figuring them out, taking them apart, and putting them back together.

Some people may perceive you as cool or aloof. You are somewhat introverted; you may feel slightly removed and even a little different. The fantasy of the hermit or monk engaged in a life of study and meditation appeals to you.

In relationships, you tend to keep things business-like and impersonal. You prefer to talk about the facts of a given situation, rather than the cloudier issues of emotions and personal feelings. You distrust feelings -- both your own and those of others. The whole emotional realm strikes you as unreliable, and a bit

unnecessary.

Thomas, your inability to fully understand the emotional aspect of life is your Achilles heel. You are so rational that the unpredictability of the heart frightens and surprises you.

Your challenge is to trust. You need to share your heart with someone. This is a courageous step for you, but will result in enormous growth and satisfaction.

The advice here is to make a true connection with another human being. Without it, you may marry out of convenience or to fulfill social expectations, but it will not lead you out of loneliness. The more removed you are from people, the more you risk isolation, bitterness, and a cynical attitude toward life.

This choice represents a true crossroads in your development. By sharing yourself with others (without compromising your independence and need for privacy) you can cultivate your enormous charm and share your understanding of life. You are a natural teacher and advisor. And the wealth of knowledge you will accumulate in life is meant to be shared with others.

This is not to say that you must compromise on your need for privacy or time spent alone to contemplate life. These are natural aspects of your personality, which are essential to your growth. These characteristics should not be threatening to your spouse, but must be understood as fundamental to your being.

Thomas, you are blessed with a great reserve of intuition, which can be cultivated by regular meditation and contemplation. Your "inner voice" is your greatest guide and friend.

You are idealistic and have high expectations for yourself. Learn to balance your serious nature with regular doses of fun.

Your intelligence and cultivation make you charming and distinguished in appearance. As you get older and more comfortable with your identity, people are naturally attracted to you. They see your wisdom, your deep understanding of life, and the refinement you radiate.

Your Heart's Desire's compatibility is 8 and 7

Compatibility of the Heart's Desire numbers is very important in a relationship - few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

Thomas and Bill, this combination shows that your relationship is based on other numbers in your chart rather than the seven and the eight, which usually neither attract each other nor are naturally compatible in romantic relationships. The notion that opposites attract does not hold true for the seven and the eight. That does not mean that you do not live a compatible relationship, but simply that other numbers in your chart rather than the seven and the eight are at the source

of your mutual attraction.

With the seven and eight in this location in your charts, however, there could be some major differences that may, at times, cause problems.

You have different sets of priorities. This aspect of the chart reveals that Bill has a strong drive for financial success and security. For Thomas, spiritual and intellectual growth is a higher priority. Bill understands intuitively the balance between the material and the spiritual, and it is this intuitive understanding that makes it possible for Bill to excel at business, marketing, or sales.

Thomas, in turn, may well have an in-born aversion against everything related to business, which Thomas may even view as unworthy of attention.

Thomas likes to discuss all kinds of political, philosophical, or spiritual matters, with a preference for the abstract -- issues that usually seem boring to Bill. Bill prefers the practical, down-to-earth approach that focuses on results, on the bottom line.

Similarly, you may find yourselves at opposite ends of the spectrum when it comes to likes and dislikes, from movies to books, to travel arrangements, to housing, decorating, art, and so forth. For example, Thomas might enjoy life in a rather isolate, cozy country home, while Bill might derive pleasure from living in a futuristic loft in a great metropolis. The friends you attract are also very different, and so are your social needs. The seven in Thomas's chart points to quiet conversations rather than loud parties. Bill needs the occasional experience of abundant noise and interaction with others.

As you can see, the lack of compatibility between the seven and the eight have nothing to do with the heart, but everything with the experience of daily life, the practical matters - where to live, how to decorate the house, the friends you choose, and so forth. This can all be overcome by allowing each other a lot of space and freedom in the way you live your life. Bill has to make peace, not to condemn Thomas's choice of friends, career, and even the way Thomas deals with money. On the other hand, Thomas should respect the way Bill focuses on practical goals and results. Bill's drive for success and financial growth are natural parts of Bill's make-up and necessary ingredients for happiness.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Bill, your Personality is 19/1

Bill, you radiate with a dynamic and efficient energy. You appear controlled and capable. You value courage and effort in the face of difficulties and these qualities show. Others can sense that you will not be pushed around.

You should dress in a dignified and correct manner, caring for the details of your appearance. While you may spend most of your time in staid business dress or suits, bright and cheerful colors work well for you. You are fashionable, but have your own style.

Your appearance suffers more than most people when you are overweight. Overweight directly contradicts the type of personality you are trying to project. Straight lines and square corners accent your good physique and enhance your appearance as a leader.

Bill, you are recognized as a pioneer; you have your own ideas of how to do things. You are a risk-taker, original and highly creative.

You should be wary of appearing too aggressive or unreceptive. You can intimidate people if you don't soften your exterior somewhat. By doing this, you will attract less confident people who will be more willing to approach you with their thoughts and suggestions.

Thomas, your Personality is 17/8

Thomas, you appear strong and powerful. You have an impressive personality and can influence and even intimidate through sheer force. You have natural authority. Your competence and enthusiasm attract people with resources.

You radiate confidence. People defer to you because they sense your sureness and effectiveness.

You also exude a kind of controlled benevolence. People sense that you are generous, once you are convinced of the worthiness of the cause.

It is important for you to dress well. You radiate a kind of raw power and ability, which needs to be refined and enhanced by your clothing. You may even

dress a bit flashy, but that will not harm you. Quality is among your highest priorities, and should reflect in your clothing.

Although most eights have a strong constitution, they can be prone to indigestion, ulcers, and heart disease due to their reckless eating and drinking habits and their propensity to be workaholics.

Thomas, your Achilles heel is your capacity for an egocentric attitude. The negative side of your personality can cause you to be ruthless, greedy, and intensely lonely.

Conversely, you can be spontaneous and excited. You are essentially warm and jovial. In your heart of hearts, you want everyone to be as excited and as happy as you. Those who are around you often sense this. Your coworkers and employees usually like you.

Your Personality's compatibility is 1 and 8

Quickly recognized when two people first meet, not many relationships even get started unless the Personality numbers are compatible.

Your respective Life Path numbers make you two strong-willed but at the same time, somewhat stubborn people. Often, when you are both around, it is like having two captains on a ship - your conflicting orders can lead to explosive arguments, which, in turn, may lead to uneasiness, discomfort and even distress. Therefore, willingness to compromise is very important in your relationship, otherwise small arguments can be blown out of proportion.

Thomas has a remarkable talent for managing financial matters. Therefore, Thomas should be the one controlling the money. You both have good business instincts, which could result in very successful shared endeavors. Should you decide to go that way, make sure you keep each other's duties and responsibilities carefully separated so as to avoid any type of personality conflicts. Whatever your decision may be, it is important that you have faith in each other's abilities and act independently. However, since both of you like to do things your own way and neither of you is good at delegating, you should be aware that this will not be an easy task to be accomplished.

Neither one of you accepts anything less than full respect and an equal playing field. Similarly, neither one of you can be dominated or would accept being someone's sidekick.

However, while Thomas understands the material world and needs to see material results and rewards, Bill is more attached to the satisfaction that comes from knowing you did a good job.

Although you may have your differences, it is important that both of you understand that you have a lot in common as well. The one and the eight are

very compatible numbers and you will find you have many interests in common - many more than you thought. Another positive aspect in your relationship is that you love to share your experiences, and sharing experiences has, most of the times, proved to be quite enriching. But the fact that you are both more sensitive behind that strong and independent facade than you let on opens the door to possible hurtful comments and increases the danger of doing each other, in the heat of an argument, more damage than either of you realizes. Therefore, always keep in mind that the keywords to this relationship are compromise and communication. If you are both able to compromise and communicate in your day-to-day life, you will also be able to enjoy a pleasant, rewarding and happy relationship, taking advantage of the many interests you have in common.
