## INTRODUCTION

### About your Personal Reading

This reading was composed for you personally, John, and is based on your full name at birth, your date of birth, and the name you now use to introduce yourself. Please check your birth data on the title page to make sure the names and date of birth used are correct.

If you have two or more middle names or last names, you may find the names strung together. This is necessary to make Transit and Essence cycles function correctly. For example, the name John Patrick Henry Hancock would appear on the title page as John PatrickHenry Hancock.

John, your Personal Numerology Reading describes all aspects of your chart as they are understood in numerology, accurately and in-depth.

Each chapter starts with a short introduction telling you where this particular number is found and how it affects you. This is followed by the number itself. Often, you will find a double digit number followed by a single digit.

The meaning of your number is then explained in easy to read language. John, you don't need to know anything about numerology to be able to enjoy and benefit from this reading.

I hope you will enjoy your reading.

## LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. John, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality

Chart!

***Your Life Path is 16/7***

John, you are the searcher and the seeker of the truth.

You have a clear and compelling sense of yourself as a spiritual being. As a result, your life path is devoted to investigations into the unknown, and finding the answers to the mysteries of life.

You are well-equipped to handle your task. You possess a fine mind; you are an analytical thinker, capable of great concentration and theoretical insight. You enjoy research, and putting the pieces of an intellectual puzzle together. Once you have enough pieces in place, you are capable of highly creative insight and practical solutions to problems.

You enjoy your solitude and prefer to work alone. John, you need time to contemplate your ideas without the intrusion of other people's thoughts. You are a lone wolf, a person who lives by his own ideas and methods. As a result, close associations are difficult for you to form and keep, especially marriage. You need your space and privacy, which, when violated, can cause you great frustration and irritation.

When your life is balanced, however, you are both charming and attractive. You can be the life of a party, and enjoy performing before an audience. You enjoy displaying your wit and knowledge, which makes you attractive to others, especially the opposite sex.

But you have distinct limits. While you are generous in social situations, sharing your attention and energy freely, you are keenly aware of the need to "come off stage" and return to the solitude of your lair. You associate peace with the unobtrusive privacy of your world. Therefore, intimacy is difficult for you, because you guard your inner world like a mother lion does her cubs.

All this privacy and aloneness can cause isolation and loneliness, however. You can be aware of emptiness in your life, a part of you that yearns for company and close companionship that may be unsatisfied.

If isolation is brought to the extreme, you can become cynical and suspicious. You can develop hidden, selfish motives, which people may sense and may cause them discomfort around you. You must guard against becoming too withdrawn and independent, thus shutting out the love of others and keeping you from experiencing the true joy of friendship and close companionship.

John, you must especially watch out for selfishness and egocentricity, thinking of yourself as the center of the universe, the only person who really matters. Social contact gives you perspective on yourself and on life, while too much isolation can make you too narrow and even shut off from the rest of the world.

Secretly, you may feel jealous of the easy relationships formed by others; you may perceive others as less inhibited than you, or more free to express

themselves. You may harshly criticize yourself for not being more gregarious, powerful, or capable of greater leadership.

Your challenge in life is to maintain your independence without feeling isolated or ineffectual. You must hold fast to your unique view on the world, while at the same time being open to others and the knowledge they have to offer.

With your abilities to learn, analyze, seek out answers to life's important questions, you have the potential for enormous growth and success in life. By the time you reach middle age, you will radiate refinement and wisdom.

Pythagoras loved the seven for its great spiritual potential.

John, your 16 Life Path also reflects the presence of a Karmic Debt. The 16 Karmic Debt means destruction of the old and birth of the new. The 16 is about the fall of the ego, and all that it has built for itself. It is a watershed, a cleansing. All that has been constructed, and all that serves to separate the person from the source of life is destroyed. Through the 16, reunion with the Great Spirit is accomplished.

This can be a painful process, because it usually comes after much ego inflation. This results in a struggle between the ego and the divine will. Life presents challenges to your grand plans, which can be resented and struggled against. It is a lost battle, and you will likely feel humbled in the face of the collapse that follows. This humility is the key to later success, however, because you will learn to follow the intimations of a higher reality. In the destruction of the old, a spiritual rebirth takes place with an entirely new awareness. This rebirth affects every area of your life. It is a life much the better for the fall.

Those with the 16 Karmic Debt must be careful of egotism. Very often, those with the 16 use their highly intuitive and refined intellect to look down upon others, and view the rest of the world as inferior. This causes acute alienation and loneliness. In addition, it invites retribution, for the egotist is humbled more harshly than any other. When the 16 is in one of the core numbers, this process of destruction and rebirth is a continual cycle that actually serves to bring you into higher consciousness and closer union with the source of life.

The 16 Karmic Debt can be a path of progress and great spiritual growth if it is looked at properly. One develops great faith by placing one's life in the hands of God. Through such faith, gratitude and peace are firmly established.

## **BIRTHDAY**

The day you were born bears great significance in understanding who you are and where your talents lie. The day of birth indicates some special talent you possess. It is a gift to you that will help you along your Life's Path. Your day of

birth is one of your four core numbers -- the Life Path, Expression, and Heart's Desire being the other three. It is the least significant of the four core numbers, but perhaps the most finite, in that it reveals a specific ability you possess in a marked degree.

### ***Your Birthday is 15***

You are highly creative and artistic. John, you also have a gift for languages. No matter what you do as a profession, your love tends to be the arts, especially the visual arts, such as painting, calligraphy, or sculpture.

There is a yearning within you to ground within the family or community structure, but there is a hint of wanderlust, too, which makes grounding difficult. You want the best in your life, and you strive for it.

Commitment to relationships -- especially home and marriage -- is a central issue in your life. You must be willing to bring out the best in your partner, or the place you live. In the same way, you must truly commit to your own abilities -- make the most of them! Honor your talent and cultivate it with hard work and refinement.

John, you are very sensitive. Criticism has a very negative effect on you. For this reason, you tend to support others to the point of denying yourself. You want to live according to the Golden Rule, which is that you treat others as you would want to be treated.

You are generous and understanding. As a parent, you are devoted to your children and can maintain stability and love within the family. You tend to be demonstrative in your affections.

You are responsible but keep your own counsel and make your own decisions. You probably look young for your age.

In addition to your artistic talent, you possess sound business and financial instincts. You tend to be thorough and conscientious in your approach to business, traits that pay off in the long run.

John, you must beware of becoming too soft in relationships. People can see you as an easy mark, or abuse your well-worn shoulder, upon which many tears have been shed. Be more than a willing ear.

You have considerable talent as a healer, but need to develop the actual tools of the healing vocation in order to truly help others.

You are multi-talented and with focus and determination, you have great potential for success.

## **EXPRESSION**

Your Expression number reveals your physical and mental constitution, the

orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

### ***Your Expression is 19/1***

You are a natural leader, independent and individualistic. John, you are extremely ambitious, original, and courageous. You employ new and unproven methods. You are an explorer and an innovator. Openness to too many peripheral influences limits and frustrates you. You are self-reliant, confident, and energetic.

You possess executive abilities and are most successful at owning or independently managing a business. You need the freedom to make your own decisions, based on your own ideas. You can be an astute politician. You also possess the ability to influence the opinions of your milieu.

The number 1 symbolizes the front-runner, pioneer, warrior, risk-taker, and daredevil. Generals, top politicians, successful businessmen, self-made millionaires, religious leaders, inventors, activists, and avant-garde artists are often born with a 1 Expression.

Strength and perseverance are central to your success. You must be willing to travel the frontiers of life, away from the beaten path. You possess a great reserve of willpower that must be directed at your goals. You do not give up, but relentlessly pursue your aims.

John, you are quite opinionated. People tend to be inspired or repelled by your strong personality.

You have great powers of concentration and the ability to visualize your goals, thus making them more attainable.

You stand up for your convictions and hold your ground. All of these abilities

enhance your chances of success in life.

There is a tendency to be self-centered. You can be domineering and, in the extreme, a bully. You can be highly critical of others, complaining that people lack the industry or determination you possess. But this lack of understanding can alienate friends and family members from you. You must learn to control this tendency to maintain harmony in relationships.

Once you are convinced of the inherent correctness of your ideas, you stubbornly -- and sometimes rigidly -- defend and propagate them.

Avoid obstinacy and antagonism. You must cultivate balance, compassion, and perseverance.

You easily assume the role of protector. You spring into action when leadership is needed.

Pride can be your downfall. You so powerfully identify with your goals and ambitions that you sometimes refuse to see a potential flaw or weakness in your well-laid plans.

John, you possess strength and determination, which, when applied to any endeavor you are committed to, will lead you to great success in life.

## **HEART'S DESIRE**

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

### ***Your Heart's Desire is 22/4***

Deep inside, you long to create something that will have a lasting impact on the world. Whether it is a political movement, a business, or a philosophy, you have a strong inner drive to manifest something of major importance.

Like the 11, yours is a Master Number, possessing all the intelligence, sensitivity, and electric creativity that such a power would suggest. John, you

have the inventiveness of the 11 and the down-to-earth practicality of the 4. This combination can make you supremely capable of making your ambitions a reality.

The demands of this Heart's Desire are as enormous as its potential. What will be required from you to fulfill your noble ambitions is nothing less than a commitment of your entire being.

The path you have chosen is not an easy one. You need time to develop, and you are unlikely to begin to fulfill your ambitions until after you have reached a certain level of maturity.

Whether you know it or not, you possess great power within your being. You were born with this power in a latent state, but on some level you were aware of it. Early in life, this power manifested itself as awkwardness and a discomfort inside of you. Your self image has always been one of contradictory extremes: on one hand you sensed your uniqueness and potential; on the other you may have felt insecure and perhaps even inferior.

This paradox has caused waves of self-doubt and lack of confidence. But it also is a powerful generator of energy that, when combined with the higher characteristics of the 22, can become a dynamic and unrelenting force. In order to channel such great power, you need a noble goal for which to aim.

John, you will probably try your hand at several different kinds of work before you rise to the challenge of your true ambitions.

You can be a great leader, inspiring and motivating with your vision and work ethic. Your ideas are so creative and superior that they inspire enthusiasm and sometimes even devotion among your co-workers.

You should be involved in large enterprises or governmental institutions. You have the organizational diplomatic skills sufficient to keep difficult and delicate projects on track.

Once you come into possession of your full power, there are many psychological and spiritual pitfalls to be faced. You can become arrogant and superior. You can become deluded into thinking that your judgment is beyond question, and that the advice and support of others is unnecessary. You may seek to control all power in a given enterprise. This dangerous and egocentric attitude is sometimes even extended to family members who you may seek to keep under your thumb.

John, your challenge, once you have begun to use your true gifts, is to remain humble in the face of your significant accomplishments.

You perform best when your domestic foundation is stable and supportive; it is very important to have a partner who shares your dreams and has high degree of strength and independence to keep up with your drive.

Challenges somehow draw the best out of you. Your human qualities -- creativity, humility, understanding, and compassion -- increase with the level of your performance. Therefore, commitment to excellence is central to your success and inner development.

## PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

### ***Your Personality is 33/6***

John, you radiate understanding and compassion. People sense your warmth and fairness. For this reason, you attract many people who are in need of comfort, including the disadvantaged. People tend to come to you to unload their burdens. You inspire confidence.

You have a fine sense of justice. You do everything in your power to keep the harmony and are even willing to sacrifice your personal desires for the good of others.

You can take this too far, however, sometimes playing the role of the martyr. You have to guard against being taken advantage of. You are not always a very good judge of character. You tend to see the best in others.

You also can become too involved in the lives of others, to your own detriment. (This aspect can be balanced by other numbers in your chart.)

You are hospitable and domestic. You love children and are a good parent. You are romantic, faithful and very protective.

You are artistic. You love music, flowers and gardening. You are a natural interior designer. You have an excellent sense of color and taste.

John, you are more concerned with the content of your personality than your appearance, which causes you to be less conscious of the style of your clothes. You are more interested in comfort and the utility of clothing than the statement it makes.

Six Personality Numbers are exceedingly generous. You are not particularly logical when it comes to finances.

You are very vulnerable to praise and criticism. You tend to worry a lot, causing stomach problems.

People see you as a maternal or paternal figure. They want to relax in your presence and unburden themselves. You are the safe port in the crowd.

## MATURITY

Your Maturity number indicates an underlying wish or desire that gradually surfaces around age thirty to thirty-five. This underlying goal begins to emerge as you gain a better understanding of yourself. With self-knowledge comes a greater awareness of who you are, what your true goals in life are, and what direction you want to set for your life. This, in a nutshell, is the gift of maturity: You no longer waste time and energy on things that are not within your own special identity.

No matter what your age is at present, your life is being channeled in a specific direction, toward a very specific goal. That goal can be seen as a reward or the fulfillment of a promise that is implicit in your current efforts, often without your knowing it consciously. While the characteristics of this number are usually visible during childhood, we tend to lose sight of these aspects until later in life. But our lives are always being affected by this influence, nonetheless.

Your Maturity number begins to have a more profound impact on your life after the age of 35. The influence of the number increases steadily as you grow older.

### ***Your Maturity is 8***

As you mature, John, you will grow in success and financial reward. You will find yourself deepening your commitment to your work. You will find it easier to overcome difficulties that manifest in your path. Your capacity to use power will grow; you will be recognized as a pillar of influence and dependability within your community.

You will have to be strong and self-disciplined to avoid sudden painful material losses. Beware of ego-inflation, the surest symptom of an imminent fall.

The 8 Maturity Number requires a certain degree of detachment from material success; otherwise it will rule your personality, and make money an obsession. Detachment allows you to remain focused on the higher values of mankind. One of your important motivations should be a desire to build, create, or market in order to enjoy the game of business.

John, your wisdom and sheer common sense are recognized by many and will attract important positions. It is possible that you will be given responsibility for the care and management of other people's property. You may also be asked to

guide large institutions.

If you already have several 8s in your chart, especially in the core numbers, you will have to guard against selfishness, accumulation for the sake of status, and greed. If you have few 8s in your chart, or none at all, your opportunity to achieve the success and financial independence is greatly increased.

## **KARMIC LESSONS**

Numerology is based on the understanding that we enter life with certain strengths and weaknesses. Karmic lessons are areas that we are currently weak in and must be faced and worked on in this life. There can be more than one Karmic Lesson. These are indicated by the absence of certain numbers in your name.

The letters and numbers of your name point to talents and abilities that you possess. These characteristics can be compared to a workshop in which certain tools are available to you. Missing numbers, those that are not represented in the letters in your name, imply tools that are unavailable, and must be learned and mastered during this lifetime.

You may well recognize your Karmic Lessons as weaknesses you have learned to overcome in the course of your life, however, the challenges implied in your Karmic Lessons will continue to come up occasionally for the rest of your life.

### ***You have a Karmic Lesson 7***

John, you need to deepen your knowledge and talents in a specific discipline. You lack the will or determination to perfect yourself or a specific talent you possess. You must learn to be your own critic, without self condemnation, in order to bring your abilities to their full development.

You will learn not to take things at face value. A superficial understanding of important matters will prevent you from experiencing the satisfaction of your true potential.

The effects of this Karmic Lesson are diminished if you have at least one 7 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

## **HIDDEN PASSION**

Your Hidden Passion reveals one or more special strengths and talents that you rely upon and are available to you. The Hidden Passion represents your specific field of expertise, or a concentrated talent.

Metaphorically, this talent can be seen as having a power all its own to shape your life. Its existence gives you a strong desire to develop and to express that particular ability. Having the talent demands that you express it, that you experience this part of you, and that you live according to its nature. In this way, the Hidden Passion shapes your personality, and guides your life.

***Your Hidden Passion is 1***

John, you have a strong drive to stand out. You have a great ambition and desire to accomplish. You are highly competitive and want to be the best and the first in everything you do. You are highly energetic and creative. You are capable of influencing and even dominating others. You have highly developed political skills, and can succumb to manipulation unless your ideals are high.

Ironically, there are times when you lack confidence, especially at an earlier age, but you have the strength to overcome this obstacle.

John, you are a survivor, a warrior, a leader. Many great athletes and politicians have this number as a Hidden Passion.

**BALANCE**

People experience different internal responses to life's challenges. Some withdraw from difficult situations to think them through; others withdraw from their emotions, to try and keep themselves from feeling anything. Some explode with emotions, but allow the explosion to pass quickly. Others linger with their feelings, holding on to them well past the time they should have let them go.

Very often, these are conditioned or emotional responses that emerge without thought or analysis. Maturity and self-development help us to learn new and more effective methods of handling our world and the problems we confront. Your Balance number provides you with the guidance on how best to deal with difficult or threatening situations.

***Your Balance is 5***

Try to focus on your problem, John, rather than avoiding it. You may try to avoid the issue by indulging your senses to keep from feeling the pain of a conflict. Be careful not to escape into food, alcohol, and drugs.

You are capable of finding a highly-creative solution to any situation the minute you put your mind to it. The answer lies well within your grasp.
